

SKILLSUSA MARYLAND REGION III CHAMPIONSHIP RESULTS

Center of Applied Technology North, Center of Applied Technology South, Old Mill High School, Severn Run High School, and Severna Park High School along with Baltimore City Public Schools participated in the SkillsUSA Region III Championships on February 1, 2025. The Center of Applied Technology North coordinated and served as the main host of the competitions, with the Center of Applied Technology South serving as a satellite site for 2 of the competitions listed below. Students who place 1st, 2nd, and 3rd in each category qualify for the state competition.

Congratulations to the medalists from SkillsUSA Chapters in Anne Arundel County:

These winners will be joined by additional students from AACPS SkillsUSA Chapters who will compete in the SkillsUSA Maryland State Competition held at Carroll County Career and Technical High School on March 28 and 29, 2025. The additional students will be competing in leadership and occupational contests not held at the regional level. Students who place first in the state competition qualify to participate in the SkillsUSA National Leadership and Skills Conference in Atlanta, Georgia, June 23-27, 2025. This conference showcases the best Career and Technical Education students in the country.
